Ambassador G. Lawis Jones Coordinator Senior Seminar in Foreign Policy, 0/FSI Bepartment of State Weshington, D.C. 20520

Peer Leuis:

I was pleased to receive your letter inviting the Central Intelligence Agency to numinate two officers for the 1967-1968 Senior Suminar in Foreign Policy. I understand that subsequently Mr. Registrer of the Office of Training, discussed the matter with you and your Deputy, Mr. Charles M. Hanning.

STATINTL

Based upon the criteria for selection of previous years, two GS-15 candidates for the Senior Seminar were recommended to me by our Training Selection Board made up of senior Agency officers and chaired by our Director of Training. I approved their recommendation and the candidates were informed of their selection. This was done prior to our receipt of your letter establishing Grade GS-16 as the minimum level at which candidates should be considered. The Selection Board reviewed a number of files, including several GS-16's, before making recommendations to me. Corner plans of the two candidates in question are already programmed to their selection and participation in the Seminar.

STATINTL

Our naminoes are Nr. both of whom I consider to be outstanding officers in the Centre! Intelligence Agency. A brief biographic sketch on each is enclosed. In the future, in keeping with the change in nominating criterie, we will select 63-16's or higher to represent the Central intelligence Agency.

Sincerely,

SIGNED

Richard Kalms Birector
